

K-Love serves me and my community by always giving an encouraging message and quality music that my entire family can listen to without worry.

The local community would lose a valuable source of information and entertainment if K-Love were displaced by an LPFM broadcaster providing some other type of programming.

There are so many radio stations that provide sub-par music, entertainment, and a poor message it is crucial that K-Love not be displaced by an LPFM broadcaster.

If this were to happen our community and our families would lose out on a wonderful experience.
